ENVIRONMENTAL POLICY

Horwitz-NS/I is committed to operating and conducting business in an environmentally responsible and sustainable way. This responsibility of environmental stewardship rests with every level of the company, including management, office services, construction site processes, delivery and procurement.

Horwitz-NS/I is committed to the following objectives:

- Ensuring that all applicable local, state, and federal legislation, regulations and codes of practice are adhered to on all sites and works.
- Promoting environmental awareness and commitment to this policy amongst all employees and to encourage clients, vendors, suppliers and subcontractors to apply sound environmental principals.
- Minimize pollution, reduce the generation of general waste and improve energy efficiency.
- Apply continual improvement in environmental performance incorporating suitable measurement and monitoring mechanisms.

To achieve our objectives, we have set ourselves the following goals:

- Communicate and make available this policy to all company personnel, clients, subcontractors, and other interested third parties.
- Evaluate and identify specific operations that can be modified, developed or implemented in order to reduce environmental impacts.
- Define environmental stewardship for business operations, ensure all employees receive proper training in environmental stewardship, and incorporate this training for all new employees.
- Introduce specific waste reduction practices to be incorporated in both office services as well as construction activities.
- Always seek to educate ourselves and apply continual improvement by reviewing performance against targets and by reviewing environmental objectives.

All employees have a responsibility within their area to ensure that the objectives and targets of this policy are met. We will ensure that resources are available to enable us to achieve our objectives and targets.

For more information about this policy or our progress against our objectives, please call us at 763-533-1900. This policy is also available on our website at www.horwitzinc.com.
